

## Membership

### Welcome to West Wickham Sugarcraft Club.

Our Club is a great place for learning or improving cake decorating skills, hearing the tips and tricks of sugar art from experienced demonstrators and workshop tutors - and making new friends!

For many of the meetings we have a large screen so that everyone has a clear view of the fine detail.

We keep the programme as varied as possible with any new techniques/materials shown as soon as available and are very happy to include any special requests from members.

The membership fee includes all of our in person demonstration evenings in St Francis Church Hall, all of our Zoom demonstrations and gives a discounted fee for the workshops (which normally includes lunch).

*NB - Demonstrations in the Hall shown in **Black**  
Workshops in **Blue**  
Zoom in **Red***
